

LocTag LT1 user guide

Step 1 Turn on the Locater

- Enable Bluetooth on your phone.
- Press and hold the Locater button for 5 seconds, until the device bleeps.
(To confirm that the device is switched on double click the button. If switched on the device will bleep.)

Step 2 Open Find My

- Open the APP that comes with the iOS system: Find My
- Select: Add Item
- Select: Other supported item
- If you have already added items, select + to Add other item.

Step 3 Connect Locater

- Once your item is added, you will see: LT1
Select: Connect
- You will then be able to name the item (eg. Janny's handbag)
Select: Continue

Step 4 Test 'Play Sound'

- Select the named device.
- Select Play Sound
The device will play music.

To delete an item

- Select: Device Details
- Select: Remove Item
